AFL Clinic - Player marking the ball

During the recent school holidays Wulagi Vacation Care and the AFL clinic had excursions to the gymnastics training hall at Marrara. Wulagi enjoyed climbing the rope, jumping on the tramp and swinging on the bars. All children had a great time. The AFL clinic came to the training hall for marking and falling practice. They had a ball bouncing on the tramp and jumping into the pit while trying to mark a football. A circuit was also set up on the floor allowing the children to practice their tumbling techniques. The leader of their group reported that the children said that the time in the gym was the best part of the clinic. Thanks to Karllina Davies for running these groups.

Congratulations to the following overall winners from the recent

Alice Springs Invitational.
