Gymnasts Qualify for Nationals!!

Both trials for the WG and MG Australian championships have been completed and we have 3 gymnasts representing the NT.

At the MG Australian championships we have one gymnast, being young Rhygan Werret, from Gymnastics Metropolis competing in the Men's open level 7 competition. Rhygan achieved an awesome overall score of 67.30 demolishing the qualifying score of 60.

The MG Championships is being held in Canberra from the 12th—17th of July. Accompanying Rhygan as the National team coach and judge will be Guy Tooms.

At the WG Australian Championships we have

two gymnasts, firstly Karley McRae, 14, from Gymnastics Metropolis and secondly Marie Cunnington, 16, from Palmerston Gymnastics Club, both are competing in the Women's level 7 competition. The girls put in a strong performance at the second national trial, Marie qualifying with an overall total of 43.20 and Karley achieving 44.55. These scores surpass the national qualifier of 42.00 .

The Women's Championships are held a week before the men's in Perth from the 4th—11th of July. The remainder of the Women's team consists of Pam Cunnington national team coach and chaperone, as well as Lisa Campbell attending as the national judge and WG technical

We wish the gymnasts every success with their training in the next couple of weeks leading into nationals and hope all goes well for them.

First Comp of the year a Success!

PCYC has run the first competition of the season, and the first competition in Darwin with routines based on the new code.

The PCYC in house competition was run on the 15/5 with all gymnasts excited to kick off the year.

The disciplines who com-

peted included WG and MG with Acro gymnasts performing their routines as a display due to limited Acro judges in the NT.

WG level 4/5 Gymnasts Kelly Makrylos, Ella Reedy, Chelsea Fairgrieve and Katie Mcdonough completed their level test and are just waiting

for confirmation on their results.

A great time was had by all and it was a great way to begin our competition season.
